Hello Climbers!! We’re so excited to have you join our 2020 Virtual Climb for a Cure. To help you get started here are step by step instructions to make your registration as easy as possible. Let’s get started!

**STEP 1**
Go to [2020CLIMB.FUNRAISE.ORG](http://2020CLIMB.FUNRAISE.ORG) and click **JOIN**

**STEP 2**
Scroll to the bottom of the page, reading everything along the way - in particular the **LIABILITY WAIVER**, and click **REGISTER NOW**

**STEP 3**
Select how many people you’re registering for and then click **NEXT**
STEP 4

**Single Registration:** If you are only registering yourself, check the box **THIS TICKET IS FOR ME.** You’ll be prompted to enter the required registration information before going onto the next step.

**Multiple Registrants:** If you are registering more people than just yourself, you can start with registering yourself by selecting **THIS TICKET IS FOR ME.**

After you have answered all of the required questions for yourself, click **NEXT.** You will then be able to register all additional participants who will be joining you. In order to register all participants, you will need the following information for each individual - first and last name, email address, phone number, preferred climb option, whether or not they have access to local trailheads/hiking, and how the registrant plans to reach their goal (by walking, running, etc.) Notice your ticket count as you register yourself and your participants.

Once you have registered all participants, you will be able to add your specific information to complete your registration and then click, **NEXT.**

***VERY IMPORTANT!*** After you’ve completed a single registration or registered for multiple participants, and you’ve clicked **NEXT,** you will be prompted to make an **OPTIONAL** donation.

If you choose to make a donation at this time, it’s important to know that this donation will go to the overall campaign, and **WILL NOT** be reflected on your individual or team fundraising page. Should you choose to create a personal fundraising page or team fundraising page, we strongly encourage you to donate to your specific page once you’ve completed the entire registration process and have created your personal or team fundraising page. If you wish to only participate in Climb for a Cure and not fundraise, but would like to make a donation - this would be a great time to make a donation of any amount to help reach our 2020 fundraising goals.
