Agenda

1. About PAN
2. Finding assistance
3. Advocating to lower out-of-pocket costs
OUR MISSION

To help underinsured people with life-threatening, chronic and rare diseases get the medications and treatments they need by assisting with their out-of-pocket costs and advocating for improved access and affordability.
OUR WORK

Since 2004, we’ve helped nearly one million people afford treatment, through financial assistance for almost 70 conditions.

• Our grants offer financial assistance to treat a variety of diseases, and services, like transportation.

• Learn more about our assistance programs and specific eligibility requirements at [panfoundation.org](http://panfoundation.org).
Apply in minutes using our portal

The fastest way to apply is to log in to our portal at panapply.org.

You will need the following information:

• Demographic information (name, address, phone number).
• Diagnosis and medication name(s).
• Health insurance information.
• Income and number of people in the household.
• Physician and facility’s contact information.
What if a PAN fund is closed?

Each fund that is closed has a wait list.

3 ways to sign up:

• Log into the portal
• Visit the fund page on our website
• Call us

When a closed disease fund moves into wait-list status, people on the wait list will receive an email inviting them to apply.
