SHARING FOR FOLLOW-UP
COLONOSCOPY?**

NO

WHAT DOES NEBRASKA STATUTE SAY ABOUT COLORECTAL CANCER?

POLICIES COVERED BY STATE STATUTE*

Any individual or group sickness and accident insurance policy, certificate, or subscriber contract delivered, issued for delivery, or renewed in this state and any hospital, medical, or surgical expense-incurred policy, except for short-term major medical policies of six months or less duration and policies that provide coverage for a specified disease or other limited-benefit coverage, and (b) any self-funded employee benefit plan to the extent not preempted by federal law shall include screening coverage for a colorectal cancer examination and laboratory tests.

CONSUMERS COVERED BY STATE STATUTE*

Any nonsymptomatic person 50 years of age and older covered under such policy, certificate, contract, or plan.

COLORECTAL CANCER SCREENING METHODS COVERED BY STATE STATUTE*

Such screening coverage shall include a maximum of one screening fecal occult blood test annually and a flexible sigmoidoscopy every five years, a colonoscopy every ten years, or a barium enema every five to ten years, or any combination, or the most reliable, medically recognized screening test available. The screenings selected shall be as deemed appropriate by a health care provider and the patient.
