

2023

A Night with the Stars

SPONSORSHIP OPPORTUNITIES

Fight Colorectal Cancer is honored to invite you to participate in our 3rd Annual A Night with the Stars fundraising event; raising awareness and funds to fight colorectal cancer.

When: October 27, 2023 | 7pm - 11pm

Where: The Hammons Tower 901 E. St. Louis St
Springfield, MO 65806

On this night, we celebrate the dazzling stars of the colorectal cancer community; patients, survivors, and caregivers. The collective light of these stars burns bright as we celebrate and remember our relentless champions of hope.

Colorectal cancer is a disease that affects an ever-increasing number of individuals and families worldwide. By 2030, colorectal cancer is projected to be the number one cancer killer for individuals between the age of 20-49 in the United States. The statistics and projections are alarming, and we must act now to save lives!

Why Sponsor A Night with the Stars?

Through A Night with the Stars annual event, we aim to educate the public about the impact of colorectal cancer, the importance of early detection and screening, and raise funds for research and patient education and support. Funds raised at A Night with the Stars help support Fight CRC's resource distribution efforts in Missouri and beyond. Your support would have a significant impact on our efforts and help us reach our goals.

A Night with the Stars would not be possible without the support of companies and individuals like you. Thank you for fighting with us and considering our proposal. Together, we can make a significant impact on the fight against colorectal cancer.
